1. Number Of Users

The Font is licensed for use on a single printer or output device in conjunction with a maximum of 5 desktops or workstations connected to the same LAN (Local Area Network). If your configuration exceeds this format, you must choose a Multi-User Licence.

2. Acceptable Uses

You may use the Font to create static bitmap images or embedded electronic documents on computer screens that enables secure viewing and printing (and not the editing, modifying, altering, enhancing of images or documents) for personal or business use only.

3. Unacceptable Uses

You agree that you may not use font (unless you obtain permission or additional licensing) in the following cases:

- A.** as part of a copyrighted logo or trademark.
- B.** as part of interactive software such as video games.
- C.** as part of electronic templates such as website design templates and presentation templates which an individual can use to create electronic greeting cards, business cards, e-business cards, or any other electronic or printed matter.
- D.** as part of a commercial product i.e. an electronic document or data file created by use of the font software which is offered for distribution to the general public in exchange for a fee. Such commercial products include electronic books, electronic magazines and newspapers, as well

as tangible goods such as clothing, for which the font software becomes the main selling element of the product.

E. as part of a website hosted on one or more web servers, using webfont technologies such as @font-face, sIFR, Cufón or Typeface.js.

F. as part of a commercial broadcasting video or film. Broadcast and film usage refers to the use of the font software in titling, credits or other text for any on-screen broadcast via television, video or motion picture.

4. Third Parties

You may provide the font to a graphic designer, printer or another service bureau that is working on your behalf only if they agree to use the font exclusively for your work, agree to the terms of this license, and retain no copies of the font on completion of the work. You may not provide the font or make it accessible to any other third parties.

5. Embedding

Embedding of the font software into electronic documents or internet pages is permitted only as a static image or a secured read-only format. Licensee must ensure that recipients of electronic documents or internet pages cannot extract the font software from such documents or use the embedded font software for editing purposes or the creation of new documents.

6. Modification

You may import characters from the font as graphical objects into a drawing program and modify such graphical objects. You may not modify, adapt, translate, reverse engineer, decompile, disassemble, or create derivative works based on the licensed font itself without The Northern Block's prior written consent.
