# TYPEFACE

Maggy is a versatile and captivating display typeface, sparked by our participation in the annual ‘36 Days of Type’ event. What started as an exciting 36-day challenge has flourished into a remarkable typeface designed with purpose. Maggy represents a fusion of creativity and compassion—it’s more than a collection of characters; it’s a tribute to the unconventional, an arena for experimental design, and a testament to using typography for positive impact. The Northern Block has committed to donating all proceeds from the sale of this typeface to cancer charity, Maggie’s.
